# THE LOCATION

Winchester House Medical Centre is situated in the highly desirable Blackheath area of southeast London, close to the heart of Blackheath Village with its wide range of cafés, restaurants and local shops.

Blackheath's expansive green spaces and cultural venues such as Blackheath Halls further enhance its attractive village-style atmosphere within easy reach of central London.

The area benefits from excellent transport connections, with Blackheath station providing frequent National Rail services into central London and numerous London bus routes serving the local area, making it convenient for commuters and visitors alike.

Station	Journey Times from Blackheath
Lewisham	4 Minutes
London Bridge	13 minutes
Cannon Street	21 Minutes
Charing Cross	23 Minutes
London Victoria	26 Minutes

# EXISTING BUILDING

Winchester House is a rare building, constructed in the 1800's by the Victorians in the Gothic Revival style its façade which appears in good condition has ornamental brickwork and pointed arches together with steep roofs making for a very attractive looking building.

Locally listed, the building provides just over 16,787 sqft of Gross Internal Area arranged over lower ground to 2nd storey and was formerly used as an outpatients centre for Blackheath hospital so medical use. If the loft space is brought into use that would take the area closer to 17,992 sqft.

The building provides highly flexible accommodation, with the option to increase or decrease the amount of space required to suit occupier needs. The accommodation benefits from generous floor-to-ceiling heights and good levels of natural light throughout, creating bright and adaptable space suitable for a wide range of occupiers. External outside space is available, which can be taken as a whole or in addition to the Lower Ground and Ground floors, offering further adaptability.

The property benefits from Class E Use, making it suitable for a wide range of commercial uses including Medical, Nursery, Education and training, subject to the necessary consents.

Alternative uses may also be considered, including Residential, Community and Cultural facilities, Places of Worship and Sport and Recreation facilities for people of all ages and abilities, subject to the necessary consents.

# PLANNING

The site is located in the Blackheath District Centre and Conservation Area and benefits from Local Plan (2025) policy in favour of community uses to secure the Centre's long term vitality and viability (Policy LEA1). Change of use to other community infrastructure uses would be supported subject to a detailed assessment (Policy CI1 and CI2).

Community Infrastructure is defined as (page 299 of the Local Plan 2025) 'health services, education and training, community facilities (including public houses), cultural facilities, places of faith, and sport and recreation facilities for people of all ages and abilities'.
