Location

Premier Business Park is prominently positioned on the northern side of the M50 motorway just west of the Cappagh Road/M50 overpass. The site is easily accessible to the M50 motorway via the N3 Navan Road and the new N2 Ashbourne bypass. The proposed N2/N3 link road, due for completion in 2008, will further improve accessibility to the site. The location benefits from easy access to the airport, M1 and the Dublin Port Tunnel. The surrounding area has witnessed an enormous wave of commercial activity over the last decade with the arrival of several high-tech multi-nationals to the area including IBM, Bristol Myers, eBay, etc.

The campus is situated within close proximity of many amenities e.g. the Blanchardstown Town Centre, Tyrrelstown Town Centre and Golf Club, the National Aquatic Centre and the Blanchardstown Institute of Technology. The development of Premier Business Park is in conjunction with the proposed upgrading of many of the local roads including the Cappagh and Ballycoolin Roads which will dramatically improve access to the N3 and N2 dual carriageways. The Cappagh Road also provides excellent access to Glasnevin, Phisborough and Dublin city centre which are all just minutes away.

The Development

Premier Business Park comprises 7.4 hectares of superbly located development land facing directly onto the M50 motorway, which provides access to all of Dublin's main arterial routes.

The development boasts up to six hi-bay logistics units which face straight onto the M50 motorway. Unit sizes range from 2,936 sq.m. up to 6,068 sq.m.

In addition, the development includes seventy-one enterprise units from 169 sq.m. to 516 sq.m. Planning permission also exists for a landmark office building comprising 861 sq.m. over five levels including restaurant space of 326 sq.m. at ground floor level.

SCHEDULE OF UNIT SIZES – APPROX. GROSS EXTERNAL FLOOR AREAS:							
Unit	Warehouse (sq.m.)	Offices (sq.m.)	Total (sq.m.)	Clear Internal Height (m.)	Site Area (Hectares)	Dock Levellers	Gr. Level Roller Shutter Doors
