

FIRST FLOOR

GROUND

BASEMENT

1. This drawing and design are protected under the Copyright, Designs and Patents Act 1988 and are protected by copyright of DRW Architects. They shall not be reproduced or communicated in any form without the specific approval in writing of DRW Architects and may only be used by others to execute the project for which it is designed and approved. The issue of this drawing in digital format entitles the named recipient only to utilize the elements of the drawing that are visible in paper space at the time of issue solely for the purposes of the named project.

2. DRW Architects accept no responsibility for the accuracy or currency of data on digitally issued drawings that, at the time of issue, is not visible in paper space, except as it is located on layers that are switched off or frozen.

3. Where drawings contain survey or other information provided by others DRW Architects accept no responsibility for the accuracy of that information. If recipients intend to utilize digital data from the drawing it remains their responsibility to ascertain from DRW Architects those layers which contain data generated by others and to verify that data as to the accuracy of that data.

4. All proposals are subject to survey and detailed design and to the requirements of the Planning and Building Regulations Authorities and other regulatory authorities. Site comments, once fully known, may result in measures to the proposals.
