the ceo

Laura lives in Newbury and drives most days and parks in the **secure underground car park**, arriving just in time for her call with her colleagues in Singapore. Laura is an ambassador of **happy workers** having increased productivity, Reading is an ideal place for the business. She is often having team events organised including escape rooms, **paddle boarding** and go-karting.

Sarah lives in West London and gets the 8.06 **train to Reading** arriving at 8.31. Sarah is a member of **Buzz Gym** in Reading, opposite the building, and it is so much more **affordable** than the gyms close to her house in London. Most lunchtimes she is working out and she loves the **Spin classes**.

the londoner

the graduate

Andrew graduated from **Reading University** last year and decided to stay and work in Reading. He lives in Early where his rent is **50% cheaper** than his friends who moved to London. He **cycles to work** every day which takes him 20 minutes and then he is able to shower and change before going upstairs to the office.

*The characters on this page are fictional.

David lives in Sonning and most days commutes at least one of his days to work by **kayak**. He will leave his house at 7.30am and arrive at the building an hour later before jumping in the **newly refurbished showers**. If he needs to, David can always leave the kayak at the building and **take the bus** which takes him 24 minutes.
