

Do not scale from this drawing.
 Check drawing on receipt and immediately report any discrepancies to the Architect.
 Verify all dimensions and levels on site prior to construction.
 The contents of this drawing are Stiff + Trevillion Architects Ltd. Copyright and shall not be re-used without their written permission.

Notes:
 ■ Denotes New Structure
 ■ Denotes Existing Structure

- Notes:
- To be read in conjunction with all existing building information, reports, surveys.
 - Any variation to existing conditions found on site to be confirmed with Architect and Structural Engineer before commencement of works to the area involved.
 - Thickness of existing facade is to be established after soft strip-out; Line of inside face indicates position of existing finishes. Floor levels and structure to be further coordinated following review of post strip survey.
 - Existing Terraces SSLs to be verified on site by the main contractor.
 - To be read in conjunction with all Stage 4 Consultant's Documentations.
