Health & wellbeing.

Manufacturing and logistics companies are prioritising ways in which they can create better job satisfaction for their employees. They are considering health and wellbeing factors when selecting a new unit to create a meaningful, positive impact on the happiness, health and wellbeing of employees.

Indurent has developed a holistic philosophy surrounding the design, build and maintenance of our portfolio to ensure we always meet these expectations. Known as the Indurent Standard, this commitment is reflected in the design at Indurent Park Derby, here's how:

Trim trail.

A healthy workforce is a productive one. At Indurent Park Derby, customers can take advantage of the beautiful riverside trail, the ideal place for a stroll or a run.

Areas to relax in.

The beautifully landscaped pond not only performs a role for the sitewide sustainable drainage strategy, it also features an outdoor seating area, perfect for unwinding at break times or meeting with colleagues in the fresh air.

Internal areas.

Open plan, light and airy internal offices will be installed with comfort cooling air conditioning, ensuring that staff health and wellbeing is prioritised.

Easy access to local amenities.

The site occupies a prime position immediately adjacent to Pride Park and Wyvern Retail Park. With a whole host of local amenities on the doorstep, employees will never have to venture too far to pick up essentials or find somewhere to eat. Wyvern Retail Park is anchored by Sainsbury's with other national retailers including Next, Homebase, Halfords, Mothercare and Costa.

Riverside walks & cycle paths.

On the opposite side of the river a cycle path runs from Derby City Centre linking to Pride Park and the award winning Alvaston Park with its picturesque lake, vast expanses of open space and science garden.

The wildlife sanctuary bird reserve.

Significant landscaping will create new habitat for wildlife, including fish refuges along the river. On the opposite side of the river is the tranquillity of the Sanctuary, a bird and wildlife local nature reserve located on Pride Park. This refuge for wildlife is not open to the public, however there are four designated viewing points provided around the perimeter for the public to appreciate this haven from a distance.

WELL CONNECTED TO LOCAL TRANSPORT.

The nearest bus stop is located at Wyvern Sainsbury's for the number 32 and 1C. Derby station is just a short drive with direct connections across the country.

HIGHLY SKILLED WORKFORCE.

12% of employees in hi-tech functions (four times national average).

STRONG LOCAL LABOUR.

More than six million people within an hour's drive.
