

PROPOSED PLAN 1:100 @a3

FLOORING KEY

- Existing Timber flooring exposed and treated
- New carpet
- Non-slip Vinyl
- Coir Matting
- Stone
- Slate effect/hard non-slip surface

LIGHTING KEY

- New lighting scheme to separate seating areas. Lighting to be hung from a mix of suspended ceiling systems; a mix of pendant lights, directional downlights, spot lights, hidden LED strip lighting and wall lights will be used.
- Note: A new colour scheme, partitioning furniture and landscaping scheme will also be required.
