Greenfield land extending to approx 5.8 acre with residential development potential, subject to consents

Local Plan allocation for housing with an indicative capacity of ten residential units

Attractive edge-of-village setting in desirable settlement located between Biggar and Peebles
**DESCRIPTION**

The residential development site, comprising just under 6 acres, is situated on the quiet Dreva Road, close to the centre of the attractive commuter village of Broughton. The land currently forms part of a 12 acre field which is in agricultural use under a short-term lease. The site is broadly rectangular and slopes relatively gently from north to south. To the north of the site is the remainder of the wider 12 acre field while to the south, past Dreva Road, is also open ground. To the east is a substantial detached house within ample garden grounds. To the west are established residential uses. At the south of the site are views of the village across Dreva Road while to the north are spectacular views of the local hills.

**LOCATION**

The Dreva Road site is located to the east of the small village of Broughton, a popular commuter location, which has a primary school, post office, village store, tea room / bistro / bar, petrol station and small brewery. The village is situated approximately 25 miles (40 km) south of Edinburgh, between Peebles (approx. 9 miles / 15 km) and Biggar (approx. 5 miles / 8 km), on the main A701 road. Both Biggar and Peebles offer a wide range of retail and community facilities with well regarded primary and secondary schools located in both towns. The nearby River Tweed is a prolific Salmon river and shooting can be arranged on nearby estates. There are golf courses at Innerleithen, Peebles and Cardrona. Stobo Castle, Peebles Hydro and Cardrona Hotel also offer good leisure facilities and Glentress Forest is an excellent facility for mountain biking. Accessibility to Edinburgh and further afield is provided by road infrastructure with bus services operating from Biggar / Peebles to Edinburgh on a regular basis.

**PLANNING**

The site is allocated for housing within the Scottish Borders Council Consolidated Local Plan – Dreva Road (TB200). An indicative capacity of ten houses is stated within the Plan.
