

MADINGLEY ROAD | CAMBRIDGE

INSPIRED NEW HOMES IN AN EXCEPTIONAL LOCATION

A stunning, contemporary collection of one and two bedroom duplex apartments with undercroft parking, cycle store and communal gardens. Situated in the most convenient of locations just a short distance from Cambridge City Centre to the east and the MI1 to the west.

Developed by Madingley Developments and constructed by Dean & Dean, a family run company with customer values at heart and a reputation for delivering high specification properties. The Redwoods is a thoughtfully designed development using high quality materials and built to an exceptional standard.

Situated on Madingley Road, The Redwoods derives its name from two Dawn Redwood trees in the garden, which were thought to be extinct but were rediscovered in China in the 1940s. Madingley Road itself was developed in the late 19th century and is home to houses of a variety of architectural styles introduced through the decades along with other notable Cambridge University buildings and research facilities.

A LOCATION LIKE NO OTHER

Just two miles from the vibrant and busy Cambridge City Centre, The Redwoods is easily accessible and can be reached using cycle routes, by foot or by car. Close by, the University of Cambridge Sports Centre and grounds offer a multitude of means to keep fit: including squash, cricket, hockey, tennis, athletics, a gym and even Fives at one of the world's finest courts.

Cambridge itself has plenty of choice when it comes to everyday needs, or indeed for that special something. There are three shopping centres - The Grafton Centre, Lion Yard and the Grand Arcade - for premium and high street brands, with boutiques and independent shops in the centre, along with Sainsbury's next door at Eddington.

Historic University buildings, theatres, cinemas and wide open spaces are abundant in Cambridge with coffee houses, tea shops and street vendors. Punting on the River Cam is a popular activity, as is visiting the world renowned centres of educational excellence and museums. Cambridge is home to nine independent schools, seven public libraries and several excellent state schools including one of the top independent schools in the country, The Perse School, which is four miles from The Redwoods. It is home to the University of Cambridge, one of the world's oldest and most prestigious universities, and also Anglia Ruskin University. There is a primary school in Eddington adjacent to The Redwoods.

A wide variety of international cuisine is available to suit any taste or desire in Cambridge. Close by in the village Coton, just over a mile away, The Plough offers traditional pub fayre including Sunday lunch; very popular after a walk through the countryside on the Coton Footpath which leads into Cambridge. Coton is also home to a Farm Shop, Post Office, a primary school, cricket, bowls and football clubs.

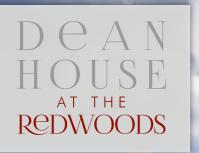

A UNIQUE SETTING TO CALL HOME

The Redwoods comprises two individual buildings: Dean House and Fray House, each with its own distinctive personality. Both blocks combine stunning architecture and beautiful materials to create a truly magnificent place to call home.

The Redwoods grounds are breathtaking, featuring raised planting and communal gardens to explore.
