About this property

Highview is a handsome detached modern house, characterised by brick elevations under a tiled roof with striking gable ends. The accommodation in the main house is spacious and versatile, extending to nearly 2,300 square feet as can be seen on the floor plans that follow. There are two large living spaces on the ground floor: an elegant and generously-proportioned triple aspect sitting room featuring a marble fireplace, and an excellent kitchen, dining and family room, the kitchen being fitted with a range of modern, shaker-style cream units with black granite worktops and a central island. The kitchen is served by a good-sized scullery and utility room; a bedroom and bathroom complete the ground floor.

There are three bedrooms on the first floor, bedroom one benefitting from a dressing area, en suite shower room and access to a private rooftop balcony overlooking the grounds. Bedrooms two and three are served by a family bathroom. The property is accessed by a gated private driveway, which leads to a parking area ahead of the house. The formal gardens lie predominantly to the north and west of the house, mainly laid to lawn and dotted with shrubs and young trees.
