DESCRIPTION

Tanyard Manor is a fine example of late medieval architecture, believed to have been originally built by monks as a tannery and dating from the fifteenth century with later additions. Tanyard Manor has much charm, and a wealth of wonderful period features including exposed beams and plasterwork, wood panelling, leaded lights and inglenook fireplaces. Having been in the same hands for more than forty years, the property offers great scope for updating, subject to any necessary consents.

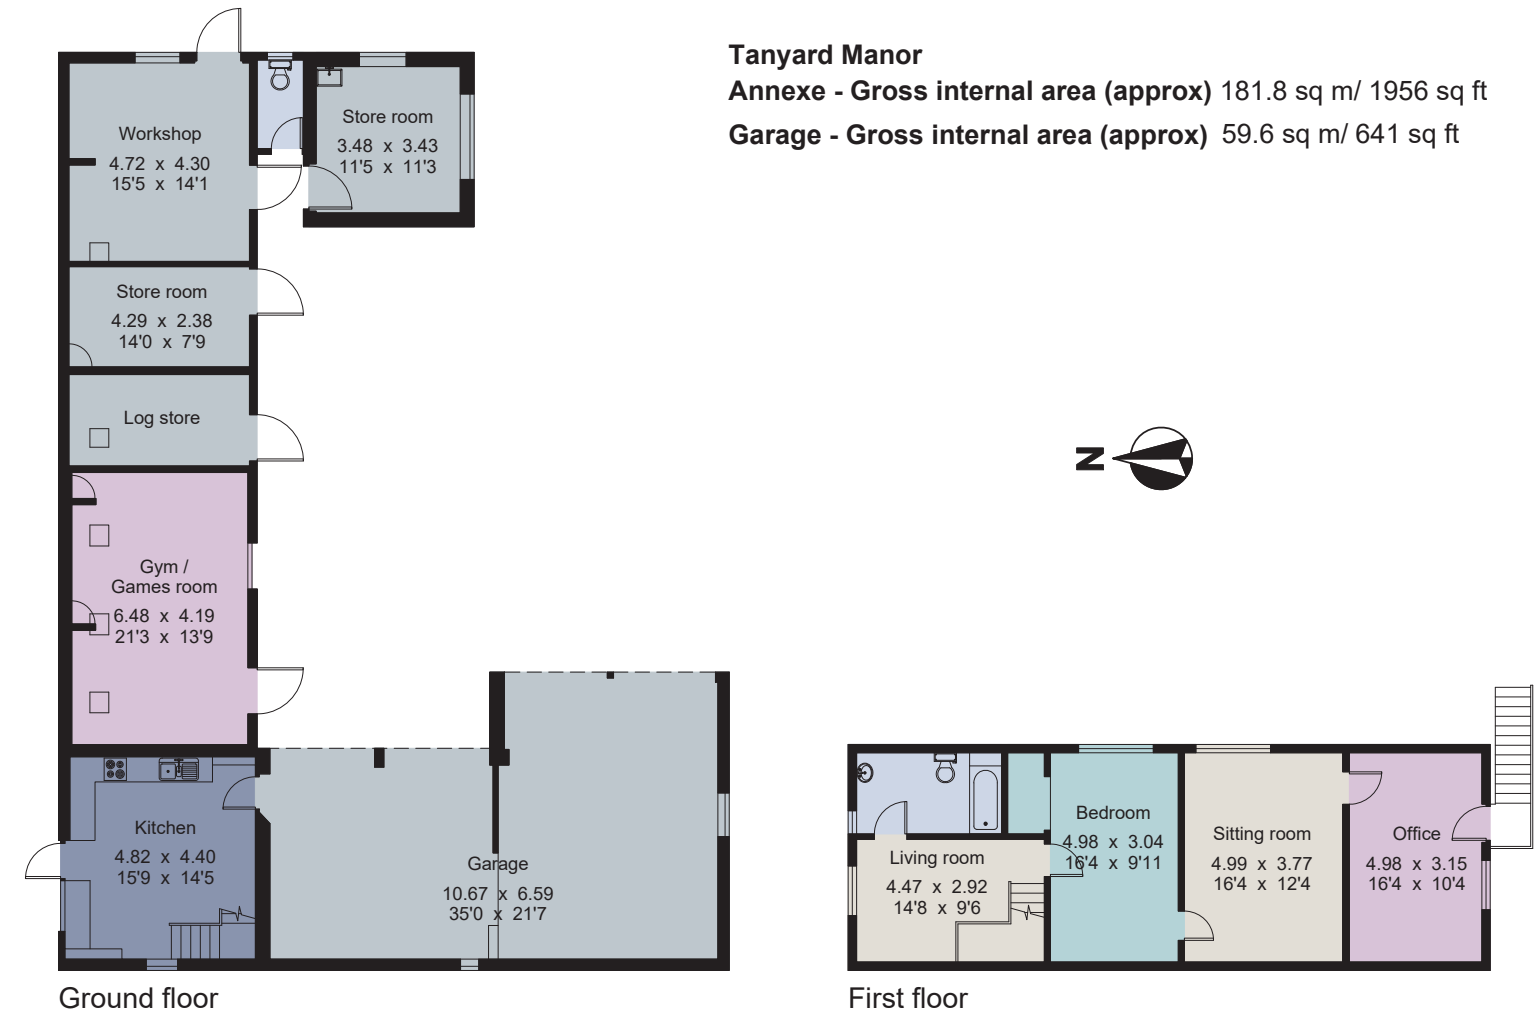

Tanyard Manor and its adjacent Annexe provide more than 7,000 square feet of accommodation, home office, staff quarters, gym/games room and approximately 650 square feet of covered parking for four cars.

The main house offers a generous 5,153 square feet of accommodation arranged over three floors, with three formal reception rooms, a study and a large kitchen/breakfast room on the ground floor. Of particular note is the drawing room with a bay window and working inglenook fireplace, and the sitting room in which a fresco (sometimes found in great 15th century houses) has been painted with natural pigments typical of the period by a recognised French artist. On the first and second floor are seven bedrooms (five with basins) and three bathrooms, one en suite to the master bedroom which is served by a dressing room.

The floorplans and the accommodation list give an excellent overview of the full extent and layout of the property.

ANNEXE, OUTBUILDINGS, GARDENS AND GROUNDS

Tanyard Manor occupies an elevated position within its grounds, and is approached via a sweeping driveway offering a striking vista across the extensive park-like gardens to the pond and stream at the eastern boundary.

The property has good leisure facilities with a heated swimming pool, all weather tennis court and pavilion, and a nine hole practice golf course.

A detached Annexe provides ancillary accommodation for staff or guests, as well as office space, storage and parking.

Lying to the east is a well-stocked walled kitchen garden with raised beds, two greenhouses and a vine house.

About 5.5 acres in all.

SITUATION

Tanyard Manor is situated in the High Weald Area of Outstanding Natural Beauty, close to Ashdown Forest. Sussex offers many excellent sporting opportunities with golf at Royal Ashdown, Haywards Heath and Piltown, and many other courses across the county. There is racing at Goodwood, Lingfield and Plumpton, and sailing at Ardingly and the coast. Spa and country house hotels include The Ravenswood Hotel, Alexander House, Ashdown Park Hotel, Gravetye Manor and Ockenden Manor.

The nearby villages of Sharpthorne and Horsted Keynes (about 1 and 1.5 miles respectively) both have a village store and two public houses; the village of West Hoathly offers two public houses. Forest Row has shops and restaurants, and is about 4.5 miles distant. East Grinstead and Haywards Heath offer a further range of facilities and amenities.

Railway stations: Gatwick, for the Gatwick Express service, is 12 miles by road (London Victoria from 30 minutes). Further train services at East Grinstead, Balcombe, Three Bridges and Haywards Heath.

There is a good range of schools in the area, both state and private, including West Hoathly primary school, Horsted Keynes primary school, Cumnor House, Brambletye, Ashdown House, Handcross Park, Worth, Michael Hall (Rudolph Steiner) and Ardingly College.

Important Notice:
Savills and their clients give notice that: 1. They have no authority to make or give any representations or warranties in relation to the property. These particulars do not form part of any offer or contract and must not be relied upon as statements or representations of fact. 2. Any areas, measurements or distances are approximate. The text, photographs and plans are for guidance only and are not necessarily comprehensive. It should not be assumed that the property has all necessary planning, building regulation or other consents and Savills have not tested any services, equipment or facilities. Purchasers must satisfy themselves by inspection or otherwise.
