About the property

A stunning individually designed four bedroom detached home, with traditional Sussex tile hung and brick elevations.

The property is ideally designed for modern living with a high-end open plan kitchen/dining/family room with Silestone quartz surfaces, central island, Quooker tap, integrated Siemens appliances including oven, grill, warming drawer, 5 ring induction hob with extractor and dishwasher. There is an integrated full height freezer and a fridge and separate wine fridge; the utility room has space for appliances and a Megaflo cylinder.

The dining/family room has bi-fold doors to the terrace, opening up to create a wonderful flow between the garden and the house, and further reception space is offered by a separate sitting room with Stovax woodburner, and a study/play room.

The four generous bedrooms (two en suite) have bespoke fitted wardrobes; the beautifully fitted bath and shower rooms feature recessed shelving, heated towel rails, white sanitary ware. Each is individually finished with neutral shades of porcelain tiles.

The garden is mainly laid to lawn, with mature trees, gravel to the side access and a block paved drive to the front.

The integrated garage has an electronically operated up and over door.
