About this property

North Heath is a substantial detached family home, offering generous and well-proportioned accommodation arranged over three floors.

The property is beautifully presented, with neutral décor, high ceilings and living space that is well-suited to family life. On the ground floor are two reception rooms and an open plan kitchen/breakfast/conservatory with additional utility room and cloakroom. The superb principal bedroom suite, comprising bedroom, dressing room and shower room, is complemented by four further generous bedrooms (one with en suite shower room) and a family bathroom. The entire second floor comprises an impressive 27 foot games room or office, ideal for teenagers or for home working.

Outside, the property is approached from the private close's turning circle, which opens to the off street parking ahead of the garaging. The double garage has an electrically operated up and over door, and a courtesy door to the rear garden.

North Heath is well-screened by mature trees and coniferous hedging at its rear and side boundaries, and adjoins woodland to the north. The garden has been landscaped and offers two patio areas, with a good sized lawn and a path surrounding the house.

Agent's Notes

There is a right of access over North Heath for the owner of neighbouring woodland.
