DESCRIPTION
Springham Farm is a well located ring fenced farm with an impressive range of agricultural and commercial buildings and land extending to approximately 229 acres. The farm lies in a desirable position enjoying spectacular views over the surrounding countryside and towards the South Downs.

SITUATION
Springham Farm is situated just north of the pretty village of Hellingly, which is bordered by rolling Wealden countryside to the north and the South Downs National Park and Channel Coast to the south. It is nevertheless within easy reach of Hailsham and Heathfield, which provides for everyday needs, and Eastbourne which offers a more extensive range of shopping and leisure facilities.

Comprehensive shopping: Horam (3.5 miles) has a good range of local shops and essential amenities, whilst Heathfield (6 miles) and Hailsham (2.6 miles) offer more comprehensive shopping facilities. In addition the towns of Uckfield (13.9 miles), Brighton (22.7 miles) and Central London (63.6 miles) are all within easy reach.

Education: There are an excellent range of educational facilities in the usual both primary and secondary levels, in both the private and state sectors. These include; St Bede’s, Eastbourne College, St Leonards Mayfield, and slightly further afield, Dunster House, Holmewood House, Rosedale, Brighton College and Benenden.

Main line rail services: Red links into London Victoria and London Bridge are found at Uckfield (11.9 miles) and Lewes (14.1 miles), with direct journey times of about 1 hour 23 minutes.

Communications: The A22 provides links to the M23 and M25 London orbital motorway. Gatwick Airport is about 36.2 miles north west by car and Central London is about 63 miles to the north.

Leisure: There are a number of local Golf courses, including Wellhurst, The East Sussex National, Eastbourne, Rye and Prickwillow. Eastbourne Marina and Beach Hero Reserves offer a wide range of activities including sailing, rowing, and sea-kayaking. Excellent local equestrian facilities include Golden Cross, Fire Place, Brighton Park and Bridge Park, Holmstead and hunting with the East Sussex and Romney Marsh Foxhounds, the South Downs and Bridge Hunt and the Coakham Bloodhounds.
SPRINGHAM FARMHOUSE
Springham farmhouse occupies a central position within the holding and its elevation creates a tiered view of its own land.

Upon entrance through the impressive wooden front doors you are greeted with the entrance hall which lies between two separating staircases leading to the first floor. Through the hallway lies a bright yet characterful sitting room with a large wood burning stove and French doors leading onto the garden and down to the swimming pool. The sitting room leads onto the dining room and kitchen which has an Aga, breakfast area and French doors opening onto the rear patio area and garden. There is also a side entrance which leads through to the core of the house, with two WCs, utility room, study and store room all branching off.

On the first floor there is a master bedroom with en suite bathroom, another good sized bedroom with en suite shower room and two further bedrooms. There is a central staircase which leads to the second floor which could either be used as a spacious bedroom/guest room or playroom.

There is a patio running along the rear of the property which adjoins the immediate gardens and leads down to the swimming pool. The drive sweeps along the front of the property, past a feature waterfall and continues on to access to the farmland.

AGRICULTURAL BUILDINGS
Springham Farm has a range of impressive farm buildings, in all extending to approximately 25,000sqft. There is a proportionate split between commercial and agricultural buildings, of which the commercial elements are currently providing a good base for the vendors family business, but have great letting income potential.

Part of the agricultural structures were originally built for equestrian use and could be adapted back, subject to necessary planning consents. More recently they have been used for farm machinery storage and workshops, and some have the benefit of an electrically operated locking system, which provides added security to complement the CCTV system which runs throughout the farmstead.

There is a two bedroom flat incorporated into one of the farm buildings and a good sized farm office.

FARMLAND
Springham Farm extends to approximately 229 acres of scenic countryside, over 200 acres of which is grassland, with occasional wooded shaws and a selection of well-maintained fishing ponds which naturally presents the farm with excellent sporting potential. There are no public footpaths or bridleways crossing the farm.
