About this property

A delightful detached chalet style house with about 3.8 acres, enjoying lovely sweeping views in a semi-rural location on the edge

of Old Welwyn. The living space is set over two floors and offers great flexibility given that two of the bedrooms are on the ground floor and therefore, could be used as reception rooms or certainly one as a home office. There is a 19' kitchen/breakfast room and a bright and spacious sitting room, as well as a very nice and comfortable family room area. On the first floor, two double bedrooms and a family bathroom can be found.

The house is approached down a long driveway which also leads to the equestrian facilities. There is a private formal rear garden which adjoins one of the main paddocks of which there are three in total. A rubber and sand arena lies to one side approx 20 x 40 and benefits from LED floodlighting. The stable yard comprises five loose boxes including a corner box, and a tack room. Light, power and water are all connected. There is also a large hay barn with attached workshop or a garage for four cars, if required.
