Situation

Méribel lies in the Les Allues Valley at the centre of the world's largest ski area, les Trois Vallees, giving access to over 600km of piste and unlimited off-piste.

As well as the two main resorts, Méribel and Méribel-Mottaret, the valley also includes a number of traditional villages. Together they form one of the most popular destinations for British skiers.

The resort's perennial popularity is due not only to its extensive skiing, but also to the attractive chalet-style architecture. Unlike many purpose-built ski resorts Méribel has retained its Alpine charm and consists entirely of chalet-style wood and stone buildings.

Less than 2 hours from Geneva and Saint Exupery airports, Méribel is also 20 minutes drive from Moutiers train station.
