Location

The Site is situated in Edwalton, a suburb to the south of Nottingham. Located approximately four miles (6 km) south of Nottingham City Centre and within Rushcliffe Borough Council's District area, Edwalton is well connected due to its proximity to a number of arterial roads including Melton Road (A606), Loughborough Road (A60), and the outer Ring Road (A52). These provide efficient access to Nottingham City Centre as well as the surrounding towns and suburbs including Tollerton, Loughborough, Mansfield, Melton Mowbray, Bingham, Derby and Leicester. The A52 Ring Road also provides direct access to the A453 and A610 which link to J24, J25 and J26 of the M1 Motorway. Edwalton is also synonymous with good primary and secondary schools, with Edwalton Primary School and Rushcliffe Secondary School (rated good and outstanding by Ofsted respectively) located in the suburb.

Nottingham Railway Station is situated approximately three miles (5 km) to the north of the subject site and due to the position of the site adjacent to Melton Road (A606), there are a number of bus links which provide efficient access to the City Centre and surrounding areas of West Bridgford, Edwalton, Keyworth, Tollerton and Plumtree. West Bridgford town centre is located approximately two miles (3 km) from the site and provides a range of retail and leisure amenities from both independent and national occupiers, such as M&S Simply Food, Co-Op, Boots, Carluccios, Côte Brasserie, Pizza Express, Cafe Nero, Costa and Oliver Bonas. Morrisons supermarket as well as a number of public houses and Edwalton Golf Course are also situated within one mile of the Site.

Description

The Site comprises two existing barns located on the Bellway Homes new residential development, known as The Hall. It is bound to the north by residential properties located on Hill Farm Court with the Bellway development abutting the Site to the east, south and west. The barns comprise brick construction with tiled roofs and wooden doors and are currently connected via a car port. A structural survey of the barns has been conducted and this will be provided as part of the technical pack upon request.

Site Area

The Site extends to approximately 0.05 ha (0.12 acres).

Planning

The Site is covered by the Rushcliffe Borough Council Local Plan Part 2 which was adopted in October 2019. The Site has a strategic allocation within the Local Plan and is within the boundaries for the Edwalton Sustainable Urban Extension.

The Site benefits from planning consent to convert two existing barns into two residential dwellings, which was granted on 20 July 2018.
