A pair of artist studios that have been converted into one residence. Steps are currently being taken to obtain the necessary statutory consents. The accommodation is arranged over three floors and benefits from a 57ft wide south west facing front façade that looks down the southern section of Glebe Place.

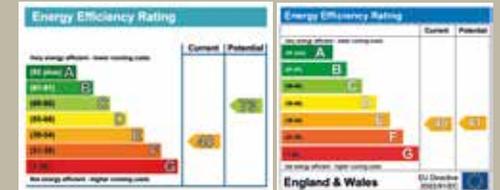

The two original studio rooms have over 7m high ceilings and the first floor is twelve windows wide. The rooms feel both bright and wide and are well balanced for both bedrooms and reception rooms. Studios in Glebe Place are rarely found on the market.
