This impressive new home stands within immaculately landscaped gardens overlooking a green to the front within the new Bollin Park development set off one of Wilmslow's most sought after roads. Only a mile from the thriving town centre with its restaurants, excellent shopping, railway station, leisure centre and High School. Waitrose and Sainsbury are in the town with Marks and Spencer at Handforth Dean. John Lewis are at Cheadle, only a short drive away.

The area abounds with golf courses, leisure facilities and country walks, especially in the Bollin Valley a short stroll away. For those who enjoy the countryside The Edge at Alderley Edge and The Peak National Park are a pleasant and short drive away.

Access to the commercial centres of the north west by road or rail is easy via Wilmslow train station and the A34. London Euston is under 2 hours by train and Manchester International Airport is a 15 to 20 minute drive.

#### DESCRIPTION

Set at the head of a gated driveway with a pleasant open aspect over a green to the front, this double fronted new build house has been significantly upgraded over the standard specification by our fastidious clients.

The 'Gold Edition' System Live 7 intelligent home system is installed allowing iPad/iPhone control of the integrated sound system and viewing of CCTV security remotely. Discrete internal and garden speakers and control pads are included to all floors. Plantation shutters are fitted to many of the windows. The kitchen has upgraded and extended cupboards and Silestone surfaces to both the kitchen and utility rooms, top quality Neff appliances, induction hob, wine fridge and integrated fridge and freezer.

The bedrooms have been upgraded with contemporary bespoke fitted furniture by Sharps whilst the bathrooms have been appointed to an uncompromising specification with wall hung wash hand basins, remotely controlled showers, Bluetooth bathroom cabinet mirror speakers and impressive tiling and the flooring throughout.

#### ACCOMMODATION

The property is arranged over three floors and is perfect for modern living. The front door opens to a spacious galleried hall with an oak, glass and stainless steel staircase. Oak finish doors lead to the rooms off including a cloakroom to the front. The study stands to the left and of the hall and has a bay window overlooking the green.

Off to the right of the hall is a reception room currently set up as a family room which would equally serve as a separate dining room, having a service door leading off the kitchen.

The living room lies to the rear of the study with a door from the hall and has a fireplace recess fitted with a log burning stove and bi-fold doors opening to the rear gardens. The family kitchen extends across the rear of the property and opens into a lovely garden room, glazed to three sides with bi-fold doors opening to the gardens and terrace. Perfect for alfresco entertaining with concealed outdoor speakers and a barbeque area. The kitchen is well appointed and significantly upgraded with quality Neff appliances.

There are three generous double bedrooms suites on the first floor, all with well appointed en suite bathrooms and a bath and separate shower to the master suite, in addition to a fitted dressing room.

On the second floor the landing leads to two further double bedrooms which share a house bathroom with a separate bath and shower. Both bedrooms have access to good under-eaves storage areas.

The double garage with a large electric door has been fitted with a 'Garageflex' bespoke storage system at great expense and has a loft storage. There is a good sized block paved parking area for up to 6 vehicles secured by a pair of automated security gates. The gardens to the front have park fencing forming the boundary with the green and the rear gardens are superbly landscaped with an imaginative design maximising the space and requiring little maintenance, with Astroturf lawns and shrubbery borders.

The property benefits from a 10 year NHBC guarantee.
