About this property

Recently constructed by a highly regarded local developer, this contemporary family home forms part of a select development of just four properties. Finished to an uncompromising specification throughout, highlights include a German fitted kitchen by Schuller, Neff integrated appliances, Laufen sanitary ware, Karndean flooring, oak doors and underfloor heating to the ground floor.

The light, spacious and flexible accommodation has been

designed for modern family living and extends to 1,789 Sq ft. Entered via an open porch, the generous entrance hall provides a welcoming first impression. Off to the left of the hall is the bay fronted living room, cloakroom with WC and a second reception room which is perfectly suited as a play room, study or formal dining room. The highlight of the ground floor accommodation is the open plan living/dining/kitchen with two sets of French doors onto the gardens and skylight window. The contemporary matt white handleless kitchen incorporates a central island for informal dining, a smoked mirrored splash back and a comprehensive range of Neff integrated appliances including induction hob with extractor, fridge/freezer, dishwasher and a double fan oven with combination microwave. Off the kitchen is a fitted utility room with door to outside. To the first floor the galleried landing features fitted storage and leads to the spacious family bathroom with separate shower and bath along with four well-proportioned bedrooms, two of which benefit from beautifully appointed en suite shower room facilities.

The property is approached along a gravel driveway which provides ample off road parking alongside the low maintenance gardens. The fully enclosed rear gardens are mainly laid to lawn and enjoy a high degree of privacy. An Indian stone patio adjoining the kitchen French doors provides the ideal spot for outdoor entertaining.
