About this property

Teal House is an attractive Grade II listed home. The current owners have sympathetically restored this handsome, late 18th

century village house, offering 1890 sqft of accommodation.

The two generous, principal reception rooms have engineered oak flooring, an open fireplace and log burner. The splendid contemporary kitchen opens into the dining room which has a pitched, glazed roof, filling the room with plenty of light, and a stable door that opens to the rear, giving access to the garden. The kitchen has the benefit of under floor heating, limestone flooring, granite worktops, an Aga and a decorative cast-iron fireplace. To the first floor there are two bedrooms, a bathroom and a separate shower room and to the second there are two further bedrooms with vaulted ceilings and a WC.

The charming garden is linked to the house via a shared area and offers views over the village and towards the Moors. Mainly laid to lawn the garden has a couple of apple trees, raised beds and a stone terrace with wisteria winding over the pergola along with jasmine and roses. In addition, there is a stone outbuilding for storage.
